The Honorable Rosa DeLauro  
Chairwoman  
Committee on Appropriations  
Washington, D.C. 20515

The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for AgNext at Colorado State University (CSU) in fiscal year 2023.

AgNext at Colorado State University is located at 350 W Pitkin St, 140A Animal Sciences 1171 Campus Delivery, Fort Collins, Colorado 80521. AgNext is a first-of -its-kind initiative at any land grant university and is well positioned to advance the sustainability of animal agriculture.

This funding would be used to include an additional 12-tensure faculty cluster hire focused on developing sustainable solutions. This proposal further resources AgNext to lead nationally, by convening partnering agencies, universities, and industry to innovate and develop real-world solutions to effectively measure and mitigate GHG emissions from animal agriculture. Investing in this program addresses not only a major environmental challenge but also supports agriculture as an economic driver in Colorado.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Neguse".
