The Honorable Rosa DeLauro
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the University of Colorado Boulder JILA facility in fiscal year 2023.

JILA is located at 440 UCB, Boulder, CO 80309. This request will fund the preliminary work necessary to replace JILA's antiquated HVAC system. JILA scientists are conducting world leading research in laboratories that are still using pneumatic controls and dual-duct HVAC systems, which are obsolete for the purposes of cutting-edge research laboratories. Additionally, these aged systems are not energy-efficient and cannot support the precisely controlled stable temperature environment necessary for quantum research.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Neguse".
