Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Colorado Mountain College Paramedic Training Facility Equipment Upgrade project in fiscal year 2027. The entity to receive funding for this project is Colorado Mountain College located at 150 Miller Ranch Rd, Edwards, CO 81632. The funding would be used for specialized equipment needed to maintain and expand its paramedic training facility, which serves the needs of rural Colorado through critical first responder workforce development.

The project is an appropriate use of taxpayer funds because it provides necessary equipment to a rural workforce training center for paramedics, providing an essential public safety purpose.

The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
