Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the University of Colorado Boulder Watershed Monitoring project in fiscal year 2024.

The entity to receive funding for this project is the University of Colorado Boulder, located at Mortenson Center in Global Engineering & Resilience, 4001 Discovery Drive, Boulder, CO 80303.

The funding would be used to implement in-stream water quality monitoring to calculate environmental outcomes and monitor the impact of wildfires on the Yampa and Cache de la Poudre watersheds.

The project has a federal nexus because the funding provided is for purposes authorized by Section 20102 of title 51, United States Code, i.e. expanding human knowledge of the Earth and of phenomena in the atmosphere.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
