Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Granby Water Infrastructure Project, CO in fiscal year 2026. The entity to receive funding for this project is the Town of Granby, located at 550 CR 574, Granby, CO 80466. The funding would be used to replace the current 40 year old water plant with a new water treatment system.

The project is an appropriate use of taxpayer funds because it will fund access to clean drinking water for a large portion of the Granby community, particularly a number of residents on fixed incomes.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
