The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Gypsum I-70 Interchange Design project in fiscal year 2027. The entity to receive funding for this project is the Town of Gypsum located at 50 Lundgren Blvd, Gypsum, CO 81637. The funding would be used for the planning and engineering design of the I-70 Eagle Airport Interchange. The project is an appropriate use of taxpayer funds because it will increase safety, offer a critical evacuation route, and better connectivity throughout the region.

The project has a federal nexus because the funding provided is for purposes authorized under 23 U.S.C 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
