Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Gypsum Wastewater Infrastructure project in fiscal year 2024. The entity to receive funding for this project is the Town of Gypsum, located at 437 Porphyry Rd., Gypsum, CO 81637. The funding would be used to make upgrades to the wastewater treatment plant. The project is an appropriate use of taxpayer funds because Gypsum's existing wastewater system no longer meets the community's needs. This is reflected in the ongoing struggle to meet increasingly demanding DEQ standards, including several recorded violations of nitrate standards over the past two years.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
