Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Steamboat Springs Workforce Housing Pedestrian and Bicycle Connection project in fiscal year 2024.

The entity to receive funding for this project is the City of Steamboat Springs, located at 124 10<sup>th</sup> Street, PO Box 775088, Steamboat Springs, Colorado 80477.

The funding would be used to construct a sidewalk and trail connecting existing outlying neighborhoods and affordable housing units to Steamboat Springs. The project is an appropriate use of taxpayer funds because it provides a multi-modal connection that will enhance pedestrian safety, vehicle congestion and improve access, especially for low to moderate income residents and people with disabilities.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joe Neguse  
Member of Congress
