Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Timberline Fire Protection District Fire Station project in fiscal year 2024. The entity to receive funding for this project is Timberline Fire Protection District, located at 19126 Hwy 119, Black Hawk, CO 80422. The funding would be used to complete a fire station. The project is an appropriate use of taxpayer funds because of the escalating wildfire crisis in Colorado. This region is only a few miles south of several recent catastrophic fires, including the devastating East Troublesome Fire. Funding this proposal will increase the chances that TFPD and its response partners can contain a man-made or natural disaster in the region before it becomes a large uncontrolled wildfire.

The project has a federal nexus because the funding provided is for purposes authorized by 7 U.S.C. Section 2250a.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
